REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The prior art made of record does not disclose, either singly or in combination a novel child seat. The applicant has disclosed a child seat with a seat shell that can be displaced to and fro between different positions on a base part. And actuating handle being rotatable about an axis of rotation from the normal locking position into an unlocking position. A slotted guided device is provided on the base part and has at least one slotted guided path designed with latching recess for the different positions of the seat shell with respect to the base part. A locking device has a connecting device rotary handle with at least one guide element.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

2. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. The following patents are cited to further show the state of the art with respect to a child seat: U.S Pat. No. 7104603, 6705676, 4709960, 6857700, 6196629.
